Today at #GoogleForIndia we announced a new \$10B digitization fund to help accelerate India's digital economy. We're proud to support PM @narendramodi's vision for Digital India - many thanks to Minister @rsprasad & Minister @DrRPNishank for joining us.

- To be done through a mix of equity investments, partnerships, and operational, infrastructure and ecosystem investments.
- **FOCUS AREAS :**
 - enabling affordable access and information for every Indian in their own language
 - Building new products and services that are deeply relevant to India's unique needs
 - Empowering businesses as they continue or embark on their digital transformation
 - Leveraging technology and AI for social good, in areas like health, education, and agriculture
